

Year 3, Unit 3 Overview

Compose Using Your Imagination

This unit of work is clearly sequenced with supporting **Lesson Plans**. For every year group, a **Key Learning** document represents the expected standard of musical learning that will build through each unit across the year. For a more in-depth explanation of the resources and documentation, please see the **Model Music Curriculum Scheme Guide** on the Scheme homepage.

Each unit has a **Musical Spotlight** and a **Social Question** (explained below) and sets out sequences of learning around songs in key musical areas. Over time, all of this contributes towards the steadily increasing development of musical learning. The music, **Musical Spotlights** and **Social Themes** all grow together to support the development of a whole, happy and musical child.

What is a Musical Spotlight?

Each unit of work has a **Musical Spotlight**. Just like the **Social Questions**, the **Musical Spotlights** deepen as the children move through the Scheme. They offer an opportunity for a musical focus in each unit and a way to deepen the children's musical knowledge and understanding. Each **Musical Spotlight** highlights a musical activity and/or musical element to be discussed, learnt about and integrated into each lesson of the unit. This can be done through the unit songs. Use the **Musical Spotlights** flexibly within each lesson. Tell your audience about them when introducing your performance.

Extension Activities for Composition Years 3-6 and the Song Writing in Years 5 and 6 documents support the teaching and learning of the Musical Spotlights.

Unit Musical Spotlight: Compose Using Your Imagination

Explain the following to the children:

Use your imagination when creating your compositions in this unit. What do you see when you close your eyes? Can you write a melody or find sounds that represent the story you want to tell?

What is a Social Question?

Each unit is centred around a **Social Question**, where children are encouraged to think deeply about the world, their communities and their relationships with others.

Unit Social Question: How Does Music Make the World a Better Place?

In this unit, we ask, '**How Does Music Make the World a Better Place?**'. The **Social Question** evolves as the children move through the scheme while encouraging them to be responsible and kind citizens of the world. Please refer to this question as you move through each lesson within the unit. The songs in each unit have been carefully chosen to support the **Social Question**. Include the social element of the unit in your end-of-unit/year performances.
