Devices are technology like: computers, laptops, games consoles,

I know people online sometimes tell lies.

They might lie about who they are or where they live.

I never have to keep secrets from my trusted adults.

I will not change clothes or undress in front of any camera.

I will always ask a trusted adult before telling anyone my private

I know that anything I do or say online might stay there forever.

It can be given to my family, my friends or strangers.

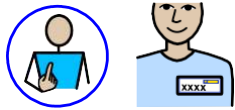

This could make me feel sad or embarrassed.
